Christmas is close—Advent

Dear Parents and Caregivers

Yes, it is scary but it is true. In only a matter of weeks we will commence our school holidays knowing that Christmas is 'just around the corner'. We are constantly reminded that Christmas, to many people in our society, is dominated by the commercialism of the event where values are measured by what we buy each other and how much we spend.

Advent commences next weekend in our church, and we are called to focus on the true meaning of this special time. **Christmas is about the gift of giving and this is centred around LOVE.** We know this because at the first Christmas, God gave us his only son, Jesus, to show us how to live our lives and love each other.

Christmas is actually very simple. It is a time where we are called to show our love for each other by caring for those in our lives. As we commence **Advent** next weekend, let us pray that we are open to the simple Christmas this year and not be pulled into the complexities and expectations of the commercial Christmas.

This week, the Kindergarten children will lead the school in prayer as they present "Christmas through the eyes of Mary". This is a wonderful time where our youngest students have the opportunity to share with us the true meaning of Christmas.

Yours in education,

Paul Devlin

Social Skills Focus at MIPS

This fortnight's Social Skill is:
STAYING OUT OF FIGHTS

Stop

Count to 10

Think about your choices

-Walk away

- Talk to the person in a friendly way

- Ask someone to help you solve the problem

Act out your best choice

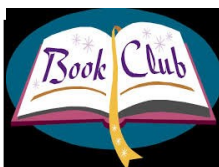

Parent Links: Discuss with your child that when they are faced with a problem to solve they need to think of as many ways as they can to solve it. Once lots of suggestions have been made, help them to decide which is the most likely to work. Ask them to try that idea and talk about why it did or did not work, try some other ideas. Discuss feelings openly with your child. Acknowledge that it is OK to have certain feelings, like anger and frustration but because you felt that way doesn't mean that you can smash a window or hit someone. Discuss alternatives to taking anger out on someone or something or bottling it up. Instead you could kick a football around, go for a run, play with the dog, have a bubble bath or listen to some music.

Kiss and Drop guidelines

The car park area immediately outside the school office (near the Grotto) is a Kiss and Drop area. This Kiss and Drop operates from 8.25am till 8.55am every school morning. The purpose of the Kiss and Drop is to provide an efficient way of dropping your children at school in a safe environment where they can easily access the playground. Parents are asked to assist in the functioning of the Kiss and Drop by doing two things:

- Do not park in the Kiss and Drop area between 8.25 and 8.55am
- Do not get out of your car to say goodbye to your children - do this while they are in the car.

Ideally, your car should pull up in the Kiss and Drop and your children will get out of the left side of your car with their bag and they head off to school. (Parents do not get out of their car). If we all follow these guidelines we all help to move our children into school safely and efficiently without causing undue lengthy queues of cars waiting to drop off their children.

Issue 8 Book Club orders need to be returned by tomorrow, 25th November. No late orders can be accepted as Scholastic have a cut off date for orders.

Thank you for your ongoing support of book club.

Anaphylactic students awareness

Parents are reminded that some of our children can have a severe anaphylactic reaction to various food products. This reaction can be life threatening. Please support the school by not sending food in your child's lunchbox to school that may contain nuts, nut products or egg. Thank you for your co-operation in this matter.

Staffing - Meet the teacher

Classes for next year are being formed by the teachers and they will be announced at 'Meet the Teacher' on Wednesday 10 December. During 'Meet the Teacher', the children get to spend some time with their teacher and class for 2015. This allows the children to begin their orientation to the new year group and teacher and also for the teacher to have a brief conversation with the class regarding the exciting learning for 2015.

The Newsletter

The newsletter is used throughout the year to inform parents about the faith celebrations, beliefs and events of the school and parish. The newsletter is also used to inform parents about the policies and practices that are its legal responsibilities or Catholic Education Office policy. These areas include but are not restricted to school policy and practices relating to supervision, enrolments, communication, anti-racism, grievance, child protection and pastoral care.

Farewell Mr. Leydon

Mr. Leydon our well known and well liked crossing supervisor and Assistant at the school, is retiring after an injury to his knee. We wish Mr. Leydon all our best wishes.

Mr. Paul Leydon will be visiting our school on Friday 28th November at 3:20pm to say his goodbyes to parents and students.
