## Peer Support

During Peer Support this week the children will look at the notion that what they choose to spend their time on, often reflects the values they have. The activities will also assist them in identifying ways they care for themselves and others, developing their understanding that you are caring when you notice the feelings and needs of yourself and others.

During the week encourage your child to demonstrate they are caring by doing something helpful or displaying kindness around the home.

**Please Note:** The Life Education Program is **AUGUST** not September.  
Please return the permission note by **5th August**
